### Our Heart Values

#### Evangelization

We recognize one another as gifts of God, inviting and inspiring all to become disciples of Jesus.

### Our Expectations

- Believe the teachings of the Church contained in the creed and catechism
- Be an example to others of someone trying to live the teachings of Jesus Christ
- Share your faith with your children and form them to be disciples
- Once a week, talk about some aspect of faith with co-workers, neighbors, or friends
- Commit my five percent tithe to assist with the work of the parish
- Meet one new member of the parish each year.

---

#### Formation

We embrace formation as a life-long journey of spiritual growth, individually and as a community.

- Read one book a year to learn more about the Catholic faith
- Attend one formation event a year, i.e. Lenten Mission, bible studies, SPIRITuality Alive
- Once a year teach someone younger than you about some aspect of following Jesus Christ
- Offer service at least once a year to the school, religious education, youth or athletic program
- Utilize the parish school, religious education and youth programs to assist you in the formation of your children

---

## Charity/Justice

We go forth to love and serve, sharing our God-given gifts with each other and throughout the world.

- Ask for and receive help from others when you are in need
- Spend an average of one hour a week in service to parish or community
- Reflect on and pray about the service you have offered others
- Once a year engage your political leaders in concerns for justice

---
