SACRAMENT OF MARRIAGE
The Archdiocese requires a minimum of six months notification for all who are to be married in order to arrange for and complete the various activities/programs associated with marriage preparation. Contact the Parish Office before setting a date.
“Cursed is the one who trusts in human beings!” These strong and confusing words come to us in our first reading today from the prophet Jeremiah. They sound like the words of a deceived lover or a betrayed friend who berates himself for ever having trusted another. But as the reading continues, what Jeremiah really wants to exalt is the importance of relying on the Lord.

It’s more of a guide about trust than a warning to avoid placing confidence in others. Jeremiah prophesied during a time of great peril in Israel’s history. Instead of remaining faithful to God, many people had been worshipping idols. Through the prophet God invites the people once more be faithful to the covenant of their ancestors and to trust in Him alone.

Jeremiah’s warning instructs us and people of all ages that no individual or group, no leader, political party or institution merits blind trust or obedience. That truth is part of our world’s legacy from World War II, along with plenty of contemporary scandals.

Today, we might take Jeremiah’s words as advice to help us deal with the scandal in the church. Sr. Mary McGloin writes, “Jeremiah warns us that allowing anyone – pope, bishop, religious or lay – to represent the trustworthiness of Christianity and its Gospel is a first step toward blasphemy; it gives God’s authority to someone who is not God. Blind trust or unquestioning obedience gives to humans what belongs to God. Ironically, to say ‘I won’t believe in the church because it has had bad leadership,’ is another way to ‘trust in human beings.’ When we abandon the church on account of the sin of its leaders, we are defining church by its membership rather than by the God who continually calls it into being... When we allow the Gospel to be the light guiding our lives, we accept the fact that no one is above criticism. When we accept the fact that neither we nor any other person or group can adequately speak for God, we can begin to trust in the Spirit to lead us forward as the fallible people we are.”

Some good thoughts for our prayerful reflection.

Fr. Denny Hanneman

Meet the Staff!

LORI LONG
Director of Religious Formation

My husband, Dale and I became members of St. Columbkille in 2003. We have been actively involved in the parish and school since our children started attending the school in 2004. I joined the St. Columbkille staff in 2014, after years of teaching in the Omaha Public Schools. I have a BS in Elementary and Special Education, as well as a MS in Educational Administration and Supervision.

Dale and I were married in 1995 and we have four children. Our twins, Noah and Lucas, graduated from St. Columbkille School and Papillion-La Vista High School (PLHS)—Go Monarchs! They now attend the University of Nebraska-Omaha. Our son Zachary, also a graduate of St. Columbkille School, is a sophomore at PLHS and our daughter, Olivia is a 7th grader at St Columbkille School.

I oversee all of the sacramental preparations for parents and school-aged students in our St. Columbkille parish community, directing both the Summer Religious Education (RE) and 9-month RE programs for Kindergarten through 8th grade, Rite of Christian Initiation for Children and high school teens who have not received their sacraments, as well as coordinating Vacation Bible School and Children’s Liturgy of the Word for our parish.

I am lucky enough to work with some dedicated and talented volunteers who help make our Religious Education program one of the best there is! If you are interested in becoming more involved in any of these ministries, please feel free to contact me at 402.339.0990, llong@saintcolumbkille.org, or stop by our office located inside the school.

This Week’s Wild Goose Synopsis
“God is love” - 1 John 4:8
This simple statement is the beginning and the ending of our pilgrimage of Faith. God is love and the Lord’s love is perfect, passionate, and unconditional. There is nothing that we can do that would cause God to love us more and nothing we can do that would cause Him to love us less. We are able to come to experience the beauty and freedom of God’s love by the Holy Spirit. The Spirit of God reveals the love of the Father that changes us. When we experience God’s love, we come to understand in a powerful way that we are in fact “loveable”. God’s love reveals our beauty and goodness before him.

Questions? Contact Nicole Cook at 402-339-0990 or ncook@saintcolumbkille.org.

Teen Faith This Week—Large Group—Church Tour:
Due to weather cancellations, we’ve had to rearrange our schedule a bit! Our Church Tour has been bumped to Wednesday, February 20th! You’ve been to Mass a thousand times, you’ve served a few hundred of those, and you’ve walked through the building more times than you care to count! But, do you know why the church is arranged the way it is? How’s it’s designed to call our attention to the community gathered there with us? Join us as we explore the church building, learning the names of the items used during Mass and the reasons for the fixtures and furniture within the building. Gain a better understanding of why we worship the way we do by learning about the building around us! We will begin in the Social Hall at 7:00 with a meal before heading upstairs for the church tour. We will end the night at 8:30.

Teen Faith Next Week—Small Group Faith Sharing:
Small groups meet in the homes of the adult leaders. If you need information about where you teen’s group meets, please contact Nicole in the Religious Formation Office at ncook@saintcolumbkille.org or (402) 290-7859.

St. Columbkille Parish
Our Styrofoam collection for Plastilite in December was a huge success, thanks to all the members of the congregation that brought in items. Now we can take it a step farther and use the Hefty Orange program for all the non-recyclable plastics. These orange bags can be purchased at Hy-Vee or ordered online. The plastics that can be recycled are listed on the bag package, such as plastic utensils, chip bags, candy wrappers, etc. The bags can then be added to your recycle bin on recycling day.

Plastilite can only use the large Styrofoam packing. The smaller items like peanuts, egg cartons, drinking cups, take out containers, and smaller chunks of Styrofoam should be put in the Orange Hefty bags. During the rest of the year, the larger packing pieces can be taken directly to the Plastilite company at 4930 Battlefield Dr. in north Omaha, phone 402-453-7500.

A huge thank you to all our wonderful volunteers who helped put together our Lenten Newsletter mailing! We appreciate all the time and work you put into this project. A special thank you to Susie Dorland for heading up our crew and being such a gracious leader!

Do you have stray crayons lying around your house? We bet you do. And whether they’re still unopened, used or broken, we’re happy to take them off your hands.

We are proud to partner with The Crayon Initiative, a unique charitable organization that recycles crayons and distributes them to children’s hospitals, brightening the lives of young patients while reducing environmental waste. Drop your used and unwanted crayons in our collection boxes in the narthex, Scout Center or school until Feb 19th.

**HEALTHY RELATIONSHIPS FROM LOVEISRESPECT.ORG**

Communication is a key part to building a healthy relationship. The first step is making sure you both want and expect the same things -- being on the same page is very important. The following tips can help you create and maintain a healthy relationship:

- **Speak Up.** In a healthy relationship, if something is bothering you, it’s best to talk about it instead of holding it in.
- **Respect Your Partner.** Your partner’s wishes and feelings have value. Let your significant other know you are making an effort to keep their ideas in mind. Mutual respect is essential in maintaining healthy relationships.
- **Compromise.** Disagreements are a natural part of healthy relationships, but it’s important that you find a way to compromise if you disagree on something. Try to solve conflicts in a fair and rational way.
- **Be Supportive.** Offer reassurance and encouragement to your partner. Also, let your partner know when you need their support. Healthy relationships are about building each other up, not putting each other down.
- **Respect Each Other’s Privacy.** Just because you’re in a relationship, doesn’t mean you have to share everything and constantly be together. Healthy relationships require space.

**HEALTHY BOUNDARIES**

Creating boundaries is a good way to keep your relationship healthy and secure. By setting boundaries together, you can both have a deeper understanding of the type of relationship that you and your partner want.

Creating boundaries is not a sign of secrecy or distrust -- it’s an expression of what makes you feel comfortable and what you would like or not like to happen within the relationship.

Remember, healthy boundaries shouldn’t restrict your ability to:

- Go out with your friends without your partner.
- Participate in activities and hobbies you like.
- Not have to share passwords to your email, social media accounts or phone.
- Respect each other’s individual likes and needs.
