BULLETIN DEADLINE
Bulletin items are due 10 days before the issue date. Please email them to Anna Ferguson at aferguson@saintcolumbkille.org. We reserve the right to make any edits we deem necessary.

SACRAMENT OF BAPTISM
Baptismal preparation classes are required for parents with children to be baptized. Call the Parish Office for information.

SACRAMENT OF MARRIAGE
The Archdiocese requires a minimum of six months notification for all who are to be married in order to arrange for and complete the various activities/programs associated with marriage preparation. Contact the Parish Office before setting a date.

St. Columbkille Parish
I sometimes hear negative things said of our young folks today, but I see very generous and engaged young people who have a heart for others. For example, the University of Notre Dame has a program for graduates that allow them to donate a year or two of their time to be of service before entering the work force. A few years ago they had 75 openings and over 200 applicants for these positions of stewardship!

I continue to be so impressed by a group of people who aren’t always given the spotlight in our parish: the Teen Faith group. This group of teens from St. Columbkille, led by Coordinator of Disciple Formation Nicole Cook, live out stewardship in such profound and active ways that really impact our parish and greater community.

All year the teens participate in various service opportunities, from giving their time volunteering at the Stephen Center to trick-or-treating for the Tri-City Food Pantry, to individual service projects. Our teens even give their time to creating fun and joy for our younger parishioners and their families by leading events such as Trunk-or-Treat and the St. Nicholas Day Party, in conjunction with Moms of Faith. We know how much young children look up to the “big kids.” It’s beautiful to see our parish teens setting examples by being Christ’s hands, feet and love to those they encounter and serve.

Also impressive is how seriously this group takes prayer and formation. Each week Nicole coordinates both large and small group opportunities where the teens are invited to learn more about the Catholic faith from parish leaders and mentors, share their personal faith experiences with their peers and live that faith in community with one another. And of course they have fun doing so! Taking it one step further, our Teen Faith group has the opportunity to travel to various national Catholic conferences where they join hundreds of other teens in celebrating their Catholic faith and being reenergized to live it out all the more when they return home. Just a couple weeks ago Nicole and a few other adult chaperones led a group of our teens to the National Catholic Youth Conference in Indianapolis. There they heard from inspiring Catholic speakers, participated in praise, worship and Adoration, connected with other teens and much more.

I am so grateful to everyone who is a part of our Teen Faith program--from Nicole, who leads the group and coordinates all of the formation and service opportunities, to those parishioners who host the Teen Faith small groups in their homes twice a month, to everyone who volunteers as chaperones or guest leaders at large group meetings. Your hospitality, leadership, love and desire to pass on your faith to younger generations makes a huge difference in the lives of our teens.

Finally, thank you to all our parish teens involved in Teen Faith. You are constantly amazing us all with your dedication to stewardship. You are not just the future of the Church, you are the Church, and your energy and love for your faith gives us all hope and encouragement to live ours out daily.

Pax,
A Simple, Inexpensive, and Wonderful Christmas Gift from a Child

Ask a child in your life to color a picture of baby Jesus as a Christmas gift to their parent, grandparent, or other special person. Talk to them about their gift of art and ask them to sign it. Add the year to make it even more of a keepsake. It would be fun to make it a tradition every Christmas. Save them to look at and talk about Jesus's birthday every year! Copies of coloring sheets are available in the church narthex. Or, children could draw and color their own pictures. As Christmas approaches, this is a great way to talk to a child about how acts of stewardship, like sharing a gift of time and talent by coloring/drawing a picture of baby Jesus, can make wonderful gifts.

Being Good Stewards of the Earth: Microplastics a concern for our health and ecosystem

Microplastics are becoming a major problem. They are showing up in our water resources--from city park ponds to remote glaciers high in western mountain ranges. A study published earlier this year, called "Human Consumption of Microplastics," found that Americans eat, drink, and inhale between 74,000 and 121,000 microplastic particles each year. Yet, few of us realize how significantly our own households contribute to this crisis.

Synthetic fibers like nylon, polyester and foam padding are not biodegradable, so tiny bits that slough off in the washer and dryer can linger in the ecosystem for centuries. Natural fibers also shed, but microbes are able to digest them.

The plastic we use ultimately come back to us in the food we eat and the water we drink. This can be distressing, but we can make positive changes. Think about your next purchase of clothing or containers for eating and drinking.

Volunteer Opportunity

For anyone who is interested, we are looking for volunteers who might want to help answer the Parish Office phones over holidays when the Parish Staff are not in. These dates would include Christmas Eve Day, Christmas, New Year's, etc. If you are interested in volunteering, please call the Parish Office at 402-339-3285.

Gift Giving Weekend

In the entryway of the church, you will find our “Giving Tree.” We join with other churches and organizations in our community to provide NEW clothing and toys to hundreds of children at the Sarpy County Christmas Center. The parents of these children will be able to attend the Center and, with the help of a volunteer, choose toys for each of their children and receive new clothing for them as well. Last year, the Christmas Center helped over 725 children from 230 families.

Please return your UNWRAPPED gifts to the church this weekend, December 7th – 8th. We will also collect some food items, personal care items, and cash or check donations for the Tri-City Food Pantry that serves these families.

You also have the opportunity to donate to the following two funds: Sarpy County Adult Crisis Fund, which helps seniors pay for rent, utilities, medications and more; and the Sarpy County Children’s Fund, which purchases additional toys needed for the Christmas Center.

Our parish has supported this project for many years. Our neighbors who receive your gifts are so very grateful. You touch the lives of so many children and their families. Thank you for your continued generosity. If you have any questions, please call Becky or Pat Grant at (402) 592-1103.

Parish Center Gift-Giving

Our parish is the beneficiary of a generous gift from Geri and Dr. William Schlueter. When our new Parish Center opens this fall, we will have a Steinway Piano that has been valued at $9,000. Thanks so much for the kindness of the Schlueter family!

Members of our parish will also soon have the opportunity to help provide furniture, fixtures and other items for our new facilities. Watch the bulletin and our website for more information on the Parish Center Giving Tree for ways you can help. The tree will be ready in January.
Young Catholic Professionals
The next Young Catholic Professionals event is an Executive Speaker Series at Skutt Catholic High School on Tuesday, December 17th. Mass will begin at 6:15 p.m., with a social and free food starting at 7 p.m., and the speaker beginning at 7:45 p.m. Wendy Townley, Executive Director of Omaha Public Library Foundation, will be the featured speaker with a title of “Finding My Religion--Returning to My Catholic Faith.”

“The rosary is a powerful weapon to put the demons to flight and to keep oneself from sin...If you desire peace in your hearts, in your homes, and in your country, assemble each evening to recite the Rosary. Let not even one day pass without saying it, no matter how burdened you may be with many cares and labors.”
~Pope Pius XI

**End of Year Charitable Contributions**

2019 charitable contributions must be received by 11:59 p.m. on December 31st in order for you to claim a charitable contribution for 2019. Anything after that will be posted to 2020.

End of the year tax statements will be sent out before January 31, 2020. Please send us your current email address so your statement can be sent via email, and let us know of any changes in contact info, employment, phone number or email by calling the Parish Office. This saves the parish hundreds of dollars in postage.

We make every effort to be good stewards of your gifts.

Aside from cash, a gift of stocks or bonds is another way to benefit your church and gain a tax advantage. A gift of appreciated stocks or bonds provides a deduction at the fair market value on the date of the transfer. This gives the investor the advantage of a larger deduction without paying capital gains taxes. Seek the advice of your tax professional and keep in mind this alternative method for providing a gift to your church.

We appreciate your sacrifices. If you have any questions regarding a year-end gift, please call Business Manager Debbie Armentrout at 402-592-8494.
